### 3 DIMENSIONAL VASCULOGRAPHY (3DVG)- PATIENT ASSESSMENT / TESTIMONIAL

Name: Melipome Merea Momiya

Date: 19/01/2017

1. From where did you hear about 3DVG?

From my husband who is a lecturer at  
AUT

2. Can you give a brief overview about your opinion on the 3DVG assessment and the explanation of the results?

The test is worth doing and I think it is  
very important especially if a person  
think they might have heart problems.

It did not take much of my time and I was  
very impressed the way Dr. Mohanlall explained  
the outcome of the test and how he  
recommended the treatment options that could  
help me with my heart problem.

I wish people could be made aware of  
3DVG and do it and see if their lives and hearts could be  
changed for the better.
